

St Martins Bowling Club

July Newsletter

Welcome all to our first official newsletter. These newsletters will be done monthly throughout the year, reporting on how teams are getting on, as well as any upcoming games or social events. We have a new Facebook page, which as most of you know is being run by Myslef (Keri). It is important as a club; to keep our small club going and social media is a big part of that now. Posting regularly, helps to keep people informed and increases the number of views we get on the page. I use this platform to inform everyone on games that are coming up, as well as how we are doing as a club. I am also going to be introducing a meet the member feature on Facebook, which is again, another way of getting interest on socials. So, keep your eyes peeled for that! Keri xx

What a great start we have had to the season!

Some great achievements so far are:

- Keri and Jaz won the Duckhams pairs
- Sharon, Jan and Lynne won the Benevolent triples
- Keri and Sandra J have both qualified for the nationals in the 2 wood singles
- St Martins have reached the area final of the ladies' national top club
- Sandra J is in the area final of the national Champion of Champions
- Sandra J and Jo are in the area final of the National senior pairs.
- St Martins are in the Area final of the National Tony Allcock (over 60 mixed double rink)
- Keri and Jaz joined with Warwickshire and have qualified for the Nationals in the Amy rose being 1 of the top 8 teams in the county. They now face Surrey in the quarterfinal at nationals.
- Unfortunately losing in the area semis but still great achievements are:
 - National Club 2 fours
 - Neil and Jimmy in the men's senior pairs
 - Sharon in the national senior singles
 - The men got to the area quarter final of the National men's Top Club
- Neil and Sandra P lost in the area quarter final of the national mixed pairs

We are currently doing well in the Tarmac league. As it stands, we are top with 94 points, with Ledbury only 3 points behind us on 91 points in 2nd and then Weobley are 3rd with 76 points.

The ladies are still in the county top club and will face Ledbury in the next round to be played by the 1st August.

Both men's league teams are doing well!

Martins (division 1) are currently in 3rd place with 29 points closely followed by Hereford Bulls on 27 points but not too far ahead are Ross Titans on 34 points and then top is Eastnor on 38 points.

Swifts (division 3) are also currently in 3rd place on 26 points closely followed by Wellington Buzzards on 25 points but not far ahead are Kingsland Warriors on 28 points and currently top is Bulmers on 41 points.

So, all to play for in both divisions for our men's teams!
